Guide to Chartered Student Organizations

Summer 2026

Visit **sac.unm.edu** for a searchable, digital version of this guide.

WANT TO GET INVOLVED AT UNM???

HERE'S YOUR OPPORTUNITY! There are over **350+ STUDENT ORGANIZATIONS** listed in this publication looking for students, just like you, to get involved. If the organization you are searching for is not on this list, you can start your own very easily and it's a good bet there are other students on campus looking for a group just like yours. **THERE IS A GROUP HERE AT UNM FOR YOU!** You can get involved as much or as little as you want. **START SMALL** by just attending meetings or going to campus events (1-2 hours a week). Involvement allows you to meet more people and leads you to new opportunities. Working within a student organization teaches you the **ESSENTIAL SKILLS** today's employers are looking for like time management, working with budgets, ability to delegate, interpersonal communication, running meetings, and most importantly leadership. Many of these are skills you can acquire through getting involved with student organizations and you may not have an opportunity to learn these in an academic class. **INVEST IN YOUR FUTURE** by making yourself a more well-rounded person. See how **EASY IT IS TO GET INVOLVED** and contact a group today! The Student Activities Center is always available to meet with students looking for more assistance in getting involved here at UNM. Visit **sac.unm.edu** and click on Student Orgs for detailed information on each group.

College is more than going to class. When you get involved, you **find a home base** in the midst of a large campus community. You'll have fun and **make friends**. You will have the opportunity to **learn leadership skills**. It's important to **build your resume** with valuable experience. If you're afraid you won't have time, consider this: students who are involved **get better grades** and **graduate at higher rates**. So get involved!

If you would like to charter a student organization that is not listed, contact:

Student Activities Center
Student Union Building, Ste. 1018
(505) 277-4706, **sac.unm.edu**

Associated Students of UNM

The Associated Students of UNM (ASUNM) is the undergraduate student governing body at UNM. It is composed of the Executive Branch (President), Legislative Branch (Senate), and the Judicial Branch (Court). The following agencies also operate under the direction of ASUNM:

- **Arts and Crafts Studio**
- **Community Experience**
- **Elections Commission**
- **Emerging Lobo Leaders**
- **Governmental Affairs**
- **Lobo Spirit**
- **Southwest Film Center**
- **Student Special Events**

Lots of big and small opportunities to get involved with ASUNM. If you would like to become a member of any of these areas, stop by the office to learn more about ASUNM:

Graduate & Professional Student Association

All graduate students in a degree granting program, including business, law and medical students, are members of the Graduate & Professional Student Association (GPSA). The purpose of GPSA is to provide representation, advocacy and services to individual students and to graduate student groups. GPSA has 3 branches of government: Executive (President), Legislative (Council), and Judicial (Court).
