## Guide to Chartered Student Organizations

### Summer 2022

Visit [sac.unm.edu](http://sac.unm.edu) for a searchable, digital version of this guide.

### WANT TO GET INVOLVED AT UNM???

**HERE'S YOUR OPPORTUNITY!** There are over 345 STUDENT ORGANIZATIONS listed in this publication looking for students, just like you, to get involved. If the organization you are searching for is not on this list, you can start your own very easily and it's a good bet there are other students on campus looking for a group just like yours. **THERE IS A GROUP HERE AT UNM FOR YOU!** You can get involved as much or as little as you want. **START SMALL** by just attending meetings or going to campus events (1-2 hours a week). Involvement allows you to meet more people and leads you to new opportunities. Working within a student organization teaches you **ESSENTIAL SKILLS** today's employers are looking for like time management abilities, working with budgets, communication skills, delegation experience, running meetings and most importantly leadership. Many of these are skills you can acquire through your involvement and may not learn in the classroom. **INVEST IN YOUR FUTURE** by making yourself a more well-rounded person. See how **EASY IT IS TO GET INVOLVED** and contact a group today! The Student Activities Center is always available to meet with students looking for more assistance in getting involved here at UNM. Visit [sac.unm.edu](http://sac.unm.edu) and click on Student Orgs for detailed information on each group.

**College is more than going to class.** When you get involved, you **find a home base** in the midst of a large campus community. You'll have fun and **make friends**. You will have the opportunity to **learn leadership skills**. It's important to **build your resume** with valuable experience. If you're afraid you won't have time, consider this: students who are involved **get better grades** and **graduate at higher rates**. So get involved!

If you would like to charter a student organization that is not listed, contact:
